CSDB Vision & Mission

Vision

Central Skill Development Board (CSDB) is Nation Building by enhancing the employability of our youth is a passion and priority. We serve Corporate India by partnering with them to skill their employees and help them compete globally. We Bridge the Talent Gap; that is our mission. To provide quality training for skill repair at an affordable cost and reach out to urban and semi urban India to meet the shortfall. We provide holistic training and placement services for the youth.

Mission

CSDB Plans to develop over 10 million industry competent workforces in coming years through establishment of National Occupational Standards, Labor Market Information System, Accreditation of training partners / Vocational Institutions, Certification of Trainers and facilitation of learner assessments and certification CSDB also has a planning of establishing a UGC recognized university, Which aim to provide job oriented courses specially for the weaker section and poor people who are unable to get quality education.

Now What is Quiz Hunt?

Quiz Hunt exams are nationwide or international level competitive exams where students from different schools, boards & institutions compete with other students on a similar education level. These exams are primarily to promote learning in the same subjects included in their school curriculum i.e., CBSE, ICSE, and other recognized state boards syllabus

● Fee - ₹100 ●

How it is beneficial for the students

01

Analytical and problem solving

This exams require students to think differently. Ultimately, it helps students develop a set of skills and improves their aptitude.

02

Additional Knowledge

Workbooks/Study Material provided by the Quiz Hunt consist of relevant information & questions from the school syllabus. It allows students an extra edge to learn topics taught in class as well as promotes self-learning.

03

Improve school performance

Students performance in school is also improved as these exams hone their thinking & learning levels which helps them to grasp the concept better.

04

Certificates and prizes

Last but not least, the winning students are awarded by cash awards, medals, gifts, certificates, and lots of recognition. These achievements are added to their academic goals.
